

Blue Christmas

The blue star is a reminder
that Christmas is not a happy time
for everyone

Those who are separated from family
Those who are very ill
Those struggling to make ends meet
Those who are alone
Those who are homeless
Those who fear for their lives

Take a blue star for your Christmas tree
(one per family/household)

Hang it on your tree
as a reminder
to say a prayer
for those who struggle
this Christmas

May we not only think of them
but open our hearts, our hands,
our pockets, even our homes

Remember that even Jesus
was homeless and a refugee
for a time
