commandments reveal another
Spirit loved Jesus disciples
greater mine unless fruit give let branch
presence Lord just things believe life
sent sin longer going words
name coming one given make
bear comes now may love much
place hearts vine whoever abide glory
day whatever nothing live Who
truth pain little go joy also
still asking heard know works
master keep word ask gave
peace except Advocate word ask complete
Believe thrown hates word ask complete
hated hour behalf alone bears ruler
eternal judgment rejoice
troubled protect true
