

I like to eat...

Our Home

Draw a picture of your home and who lives there

Friends who visit...

Thank you God
For the beauty of this day
For this food we receive
For the love we share
Amen.

*For this food before us
We give thanks
For the earth that nourished it
We give thanks
For the hands that prepared it
We give thanks
For your love that sustains us
We give thanks. Amen.*

Things we like to do at home...

Bless our home
and those within it
Bless our table
and those who share it
Bless our eating
and give us health
Bless our lives
so we may bless others.
Amen.
