

Thank you God  
for people who are different from us  
for their languages and stories  
for their colours and clothes  
for their songs and laughter.  
We pray today for .....

May your love  
be known in their hearts  
May your peace  
be felt in their lives  
May your goodness  
surround their homes  
May we show love and care  
to all people always.  
Just as Jesus did.  
Amen.
