

The Prayer Tree

When we sow seeds of love and goodness we hope that they will grow and bear fruit in people's lives.

Think of a person or a place that needs God's love and goodness.

Cut out a piece of fruit and write or draw the name of the person or place on the fruit.

Tie it to the tree.

If you wish, say a prayer, asking God to help this person or this place.

Think about what you might do to help as well.
